WHY CHOOSE MELBOURNE?

Many people know that the University of Melbourne is ranked number one in Australia, but you may not know why.

We are one of the world’s finest universities. Employers worldwide seek out our graduates. Our students succeed at the highest levels, and in more than one domain.

They live in the heart of Melbourne – one of the world’s most liveable cities – while studying, volunteering, and creating lifelong friendships with peers from all over Australia and the world.

The University of Melbourne offers learning that stimulates, challenges and fulfils the potential of excellent students from around the globe, leading to personal development, meaningful careers and profound contributions to society.

That’s why some of the world’s most ambitious minds choose Melbourne.

LIVING IN MELBOURNE

Melbourne is one of the world’s most multicultural cities and dynamic international business hubs, while still being quirky, fun and easy to navigate.

The inner city is a cluster of exciting communities connected by public transport and bike paths, and the University of Melbourne is at the heart of it all. Explore our famous cobblestone lanes, go to a music festival, take in a world-class theatre production, sample amazing cuisine or catch an AFL game – you can do it all (and more!) in Melbourne.

Regional Victoria is known for its iconic beaches, wineries, bushwalking and farm-to-table food, and is just a short train or bus ride away.

YOUR LIVING COSTS

Melbourne offers many lifestyle options to fit many budgets, so take the time to consider what suits you best. You might choose to live in the inner suburbs, and walk or cycle to uni. Some students choose to save on rental costs by living further out, in which case they need to think about public transport costs or a car.

Substantial savings can be made by sharing accommodation, shopping at Melbourne’s famous markets, using our libraries and student-owned co-ops, and attending free events on campus.

CALCULATING YOUR COST OF STUDY

Your total cost may include:
- Tuition fees
- Flights
- Cost of living
- Visa application fees
- Overseas Student Health Cover (OSHC)

WEEKLY COST OF LIVING ESTIMATE

The information on page 6 outlines the estimated living costs in $AUD for a student at the Parkville and Southbank campuses of the University of Melbourne, according to the type of accommodation chosen. Tuition fees are not included in the estimates.

There is a range of student accommodation options, including university-approved residences, within walking distance of the Parkville campus.

Check out your options at: study.unimelb.edu.au/your-experience
YOUR HOME

Live in the heart of Australia’s most liveable city, connected to Australia’s No.1 University.

We have been expanding our range of accommodation options, making it easier than ever to find your place at Melbourne. Select from shared apartments, self-contained studios, dormitory-style living, residential colleges, homestay and private rental options.

LITTLE HALL, LISA BELLEAR HOUSE AND UNILODGE LINCOLN HOUSE

Enjoy your best university life and stay within walking distance of our Parkville campus, in university-approved accommodation.

Residences include Little Hall - a learning hub with dedicated academic programs set to open in Semester 2, 2021; Lisa Bellear House – located over the road from parklands and situated between our Parkville campus, the city centre and the vibrant student district of Brunswick; and UniLodge Lincoln House – modern dormitory-style living with impeccably-designed shared facilities overlooking the city. No matter which residence you call home, our team of professional staff will be ready to support you in any circumstance and ease your transition into university life. You’ll also be able to enjoy a year-round calendar of social, academic, wellbeing and sporting activities.

As an undergraduate, full-time student, you are eligible for an offer of guaranteed accommodation. Rest easy knowing you have a place to call home at Melbourne.

RESIDENTIAL COLLEGES

Be part of something bigger within an immersive residential college community ranging in size from 70-400 students. With all meals provided, weekly academic tutorials, and comprehensive support included, college living is a unique and transformative experience. With 140 years of rich heritage, colleges blend historic architecture with modern facilities.

Share rich conversations in iconic Dining Halls, make close friends through clubs, societies and intercollegiate competition and immerse yourself in a range of social, cultural, sporting, musical and leadership programs. With dedicated residential tutors and professional staff living on site, college will support your learning with academic tutorials, pastoral care, career mentors and vast alumni networks, encouraging you to perform at your best and develop real world skills. In 2020, over $7.5 million in college scholarships will be awarded, with more than one-third of students receiving financial aid.

OTHER OPTIONS

The University’s Student Housing service provides detailed information and support to assist students with finding alternate housing options, such as homestay, hostels or private rentals.

Student Housing can provide advice on your rights and responsibilities as a tenant, refer you to financial support if needed and provide transportation information and tips on getting study ready.

One of your options is Student Village Melbourne. Here you can enjoy your own furnished bedroom with ample workspace and access to village facilities designed specifically for students.

Living costs should be finalised by June 2020. Please check study.unimelb.edu.au/your-experience/accommodation for more information.

Partially meets criteria.

Total estimated annual living cost including rent, utilities, internet and public transport (excludes food, course fees and incidentals). On average, students should budget at least $80-$150 per week ($4160-$7800 per year) for food and groceries if they do not have meals provided. See: services.unimelb.edu.au/finaid/planning/cost_of_living/summary

This fee is for first-year undergraduate students and includes access to all the facilities of the College and participation in the weekly academic (tutorials), cultural, intellectual, social and sporting programs of the College. All meals are provided. Up to 40% of students receive a scholarship or bursary, which can reduce the average weekly rent by between $100 and $300.

YOUR STUDENT EXPERIENCE

As a University of Melbourne graduate, you’ll be highly sought after. That’s because our students can build their experience and networks from day one.

There are many ways to incorporate practical experience into your studies at Melbourne. You can intern at one of the world’s most influential organisations, gain international experience, start a business, volunteer with organisations that inspire you, work part time and gain valuable skills while you study, or all of the above!

Whether you have a dream career or want to explore your options first, we will be there to support you to achieve your very best.

PRACTICAL EXPERIENCE
Internships are a great way to get first-hand industry experience and figure out if your dream career is right for you. Our students intern in leading companies and institutions in Australia and abroad, paving the way to fulfilling and exciting careers.

YOUR LEADERSHIP AND NETWORKING OPPORTUNITIES
Employers love to see leadership experience on your resume – and we love to help you get it! Lead a student group, direct a play, mentor a younger student or help run one of over 200 clubs and societies to make connections and build your networks.

MAKE A DIFFERENCE
Take your skills into the community, contribute to a cause you are passionate about and make a difference! You can volunteer in Australia or overseas. In many cases your experience can count towards your degree, and we offer awards and grants to help finance your volunteer work.

SKILL BUILDING
The Global Leadership and Employability team provides programs and services to students free of charge, including screened job listings, workshops, industry events and connections with alumni. You can even attend a free Career Bootcamp. In addition, many faculties offer seminars, practical training, networking events and more to help you break into a great career.

STUDYING OVERSEAS
You could study at some of the world’s most prestigious institutions to gain an academic and professional edge. Take French in Québec, science in Estonia, business in Beijing or anthropology in Santiago. Go for as long as a year on exchange to another renowned university, or pick up a subject we offer that is taught overseas.

THE NEW MELBOURNE STUDENT EXPERIENCE
We are taking a renewed approach to student life, focusing on a series of key commitments to our undergraduate students. You will:

• Be assisted and guided through your transition to university, especially in your first semester
• Develop a connection and sense of belonging with your peers and the wider University community
• Have access to a network of advisors and mentors for personalised advice to ensure you make the most of your study and engagement opportunities
• Have a transformative experience intellectually as well as personally, through excellent and challenging teaching and learning
• Become active in responding to the needs of the local and global community through volunteering, service and social entrepreneurship
• Be recognised for your individual and group achievements over the course of your degree.

New initiatives are already underway, which we will continue to develop and implement throughout 2020-21 to support these commitments.
The world’s most ambitious minds choose the University of Melbourne, not just because we’re ranked number one.

Our degrees aren’t like most others you’ll find in Australia. They’re aligned with those offered by many top universities worldwide. You’ll start with one of our broad-based undergraduate degrees. You can then choose to join the workforce or go onto specialised professional education at graduate level.

Our unique curriculum, with its embedded ‘breadth’ studies, empowers you to choose your direction and create a degree as unique as you are. This means your Melbourne experience is yours to shape. In a world where careers and industries are evolving at lightning speed, your independent and innovative thinking will set you apart from the rest.

Take the opportunity to study at our 200 partner institutions around the world. Our connections within government and the community as well corporate partnerships will bridge the gap between study and work with industry-based learning.

At Melbourne you’ll network with a diverse, multi-cultural community of leading minds – your teachers and peers – who will enrich your perspective and broaden your horizons.

You’ll be ready to enter the workforce career ready with an undergraduate degree. Or you can go onto specialised professional education at graduate level, or even undertake a research degree.

A University of Melbourne degree will help you build the right skills and global networks to adapt to whatever lies ahead. A distinct and outstanding education experience will prepare you for success as leaders, change agents and global citizens. You’ll achieve all this while living in the heart of Melbourne – one of the world’s most liveable cities.

As a world-leading university, employers seek out our students. Our graduates represent our greatest contribution to the world.

We want you to come as you are and leave who you want to be. How else are you going to make your mark on the world?

FIRST YEAR

In first year, you’ll be able to explore a range of subject areas that you’re interested in. You’ll combine subjects within your discipline and outside of it too – giving you a breadth of knowledge that sets you apart. By the time you choose your major, you’ll be well informed.

SECOND AND THIRD YEARS

In second year, you’ll start to focus on the study area which will become your major (if you haven’t already), while still remaining flexible enough to explore. Outside of the classroom, second year is great for going on exchange, leading clubs, building industry networks and getting into lots of fun activities.

By third year, you will achieve a level of specialisation and could take part in a third year ‘capstone’ experience, designed to consolidate your learning and really prepare you for your career. Capstone subjects may involve work placements, project-based learning, a research project, or a coursework subject outlining business best practice.

See pages 10–11 for a full list of majors – we have over 100 available.
WHAT IS ‘BREADTH’?
A breadth subject is one taken from outside your core studies or major. Most University of Melbourne undergraduates take breadth subjects.

Breadth will allow you to tailor your course to fit your individual passions and career ambitions. You might, for example, study science but take breadth in Mandarin Chinese – a great choice for a scientist looking to work internationally and help solve global issues. You can also use breadth to explore something you’ve always been curious about, whether it looks related to your major or not.

Some students find that taking a breadth subject ignites a passion they’d never known about. Others might use breadth to improve their career prospects by complementing their major with a language, communication skills, or business know-how. ‘Breadth tracks’ (groups of subjects taken throughout your degree) may even qualify you for graduate study in a field that’s very different to your major.

CONCURRENT DIPLOMAS
Want to be an economics reporter with first-class programming skills or a side gig playing the cello? Concurrent diplomas allow you to study an extra qualification alongside your degree. This can enhance your employability and enable you to develop detailed knowledge in an area outside your main area of study.

We offer four concurrent diplomas:
• Diploma in Computing
• Diploma in Languages
• Diploma in Mathematical Sciences
• Diploma in Music

High-achieving students may be able to complete their degree and concurrent diploma within the three years of their degree, but studying a concurrent diploma typically will add six months or a year to your undergraduate full-time studies.

YOUR NEXT STEP: GRADUATE STUDY
When you’re informed and ready, you can choose from hundreds of graduate study options. You’ll get the full benefit of the graduate school experience by studying intensively, in small classes led by experts, and alongside others who share your deep interests and desire to succeed. Work towards a professional qualification (for example through the Juris Doctor), or join our world-changing researchers with a research higher degree. Your higher level graduate degree will be internationally recognised, and instantly distinguishes you from those who study a traditional Australian single or double undergraduate degree.

GRADUATE DEGREE PACKAGES

If you are graduating high school and confident about the study pathway you want to follow, our Graduate Degree Packages bundle your undergraduate degree offer with a graduate degree offer. This provides you with the security of knowing a graduate place is waiting for you, upon completion of your Melbourne bachelors degree.

Graduate Degree Packages are available to school leavers who complete an Australian Year 12 or the International Baccalaureate Diploma in Australia, and to Australian citizens outside Australia who are completing the same qualifications.

Applicants must enrol in their preferred Graduate Degree Package immediately after Year 12, unless granted a deferral by the University. Prerequisites for your chosen undergraduate degree must be met prior to enrolment, there may also be prerequisites to remain eligible for graduate study.

If you are not eligible for a Graduate Degree Package, don’t worry – you may choose a graduate degree upon completion of your undergraduate studies. Entry is subject to meeting the entry requirements of your preferred graduate degree.

For 2021 entry selection criteria details, and more information on pathways to graduate study, visit:

Who says you can’t change the world? We expect nothing less.

Our reputation as Australia’s leading comprehensive research-intensive university enables us to attract and cultivate the most promising researchers from around the world.

We collaborate with industry partners, other institutions, research organisations, the community, and government and not-for-profit organisations to achieve research outcomes with global impact. We remain at the forefront of innovation in Australia.

Melbourne is a place where world-class researchers choose to work, and, as a graduate research student, you’ll be supervised by leading experts in your field.

**OUR RESEARCH DEGREES**

Our graduate schools offer research programs in most major disciplines.

**MASTER OF PHILOSOPHY**

The Master of Philosophy (MPhil) is an internationally recognised masters degree by research and requires the completion of a thesis of 30,000–40,000 words.

**MASTERS BY RESEARCH**

Masters by research degrees differ from the MPhil in that they may have a coursework component, along with a shorter thesis of about 30,000 words.

**DOCTOR OF PHILOSOPHY**

Graduating with a Doctor of Philosophy (PhD) marks your admission to the community of scholars in your discipline and requires the completion of a thesis of 80,000–100,000 words on a specialised topic.

You will work under the guidance of at least two supervisors, who will provide advice and support throughout your research degree.

For help in finding supervisors, see: unimelb.edu.au/research-supervisors

**OUTSTANDING SUPPORT**

Research training is a core activity of the University. Our comprehensive support and award-winning professional development programs will help you become a more effective researcher. We offer access to dedicated research centres, advanced research facilities, generous scholarships and established student support networks.

unimelb.edu.au/study/graduate-research

**SCHOLARSHIPS AND FEES**

**DOMESTIC STUDENTS**

Most domestic graduate research students are funded by the Australian Government Research Training Program Fee Offset Scholarship (RTP), meaning you are exempt from paying tuition fees. Additional scholarships can provide annual living allowances, relocation grants and paid maternity, parental and sick leave.

**INTERNATIONAL STUDENTS**

More than 400 scholarships are available to international graduate researchers. Many cover tuition fees, as well as a living allowance and paid maternity, parental and sick leave.

**HOW TO APPLY FOR GRADUATE RESEARCH STUDY**

**STEP 1** Check your eligibility.

**STEP 2** Find potential projects and supervisors at findanexpert.unimelb.edu.au

Contact potential supervisor for support (if required).

**STEP 3** Prepare your documentation: proposal (if required), transcripts, cover letter, academic referees, English language test results (if required), supervisor support correspondence (if required) and any other additional requirements for your discipline (eg GMAT/ GRE, audition, portfolio).

**STEP 4** Submit your application and wait for the outcome.

**STEP 5** If you receive an offer, you can then accept your place and prepare to start your life at Melbourne.

UNDERGRADUATE COURSES

HOW TO APPLY
You are a domestic student if you are an Australian or New Zealand citizen, an Australian permanent resident, or hold an Australian permanent humanitarian visa.

All domestic students, as well as international students who are undertaking an Australian Year 12, must apply through the Victorian Tertiary Admissions Centre (VTAC).

If you are a domestic student studying outside Australia, you must apply through the Victorian Tertiary Admissions Centre (VTAC).

vtac.edu.au

TUITION FEES
As a domestic undergraduate student, you will enrol in a Commonwealth Supported Place (CSP), which is subsidised by the Australian Government. You pay a student contribution amount, determined each year by the Government.

GRADUATE COURSES

HOW TO APPLY
Coursework degrees: Most courses accept online applications made directly to the University. Applications for Fine Arts and Music, Education, Business, Medicine and Law may also require completion of specific application forms and/or have additional requirements.

Timely applications for the standard offer rounds of most degrees are as follows:
- Semester 1 entry: 30 November (to commence in February the following year)
- Semester 2 entry: 31 May (to commence in July)

CHECK WEBSITE FOR DETAILS
Some courses have early closing dates and not all courses are available in Semester 2. For specific closing dates, and to confirm any special requirements, please check course listings at study.unimelb.edu.au

TUITION FEES
Coursework degrees: Your fees for graduate study will depend on your course and the type of enrolment or place you’re offered. Many courses offer Commonwealth Supported Places (CSP) as well as Australian fee places.

Research degrees: Each graduate school has a different way of managing the application process. Once you have identified the course that interests you, follow the application processes outlined at study.unimelb.edu.au

Research degrees: Your fees for graduate study will depend on your course and the type of enrolment or place you’re offered. Many courses offer Commonwealth Supported Places (CSP) as well as Australian fee places.

Research degrees: Most domestic graduate research students are supported by the Australian Government Research Training Program (RTP). Under the RTP, domestic students are exempt from tuition fees for the normal duration of the course. This exemption is valid for up to four years for students enrolled in a doctoral program and up to two years for a research masters degree.

ACCESS MELBOURNE
Access Melbourne is the University of Melbourne’s special entry and equity scheme for domestic students. If you’re eligible under any of the program’s categories, you may receive a place in one of our undergraduate degrees with a reduced ATAR, subject to course prerequisites. We also have scholarships and grants that can ease the financial load, and a housing program to get you securely settled close to campus.

HOW TO APPLY
Lodge a Special Entry Access Scheme (SEAS) application via VTAC at vtac.edu.au for one or more of the following Access Melbourne categories:
- Disadvantaged financial background
- Applicants from rural or isolated areas
- Under-represented school
- Difficult circumstances
- Disability or medical condition
- Non-English speaking background
- Recognition as an Indigenous Australian
- Mature-age consideration (non-school leaver entry pathway).

GET A GUARANTEED PLACE
If you’re from a rural or isolated area, have a disadvantaged financial background or are an Indigenous Australian, you could be eligible for a guaranteed place.

For example, in 2020, the guaranteed ATAR for Science was 78.00 (and 75.00 for indigenous students) and 55.00 for the Bachelor of Science (Extended) via Access Melbourne. Guaranteed ATARs for 2021 intake will be published in June 2020 at: access.unimelb.edu.au

ENGLISH LANGUAGE REQUIREMENTS

ENGLISH LANGUAGE TEST
You can use an approved English language test to meet English language requirements. You must satisfy the requirements in one sitting within the 24 months preceding the proposed date of commencement of enrolment.

<table>
<thead>
<tr>
<th>Approved English language test</th>
<th>Required score (all undergraduate courses)</th>
</tr>

SECONDARY OR TERTIARY STUDIES IN ENGLISH
You can meet the English language requirements for undergraduate study by satisfactorily completing secondary studies in an approved final-year English subject, or through approved tertiary study in English. Further information about the University’s English language requirements, including graduate requirements, is available at unimelb.edu.au/study/english-reqs

OBTAINING A VISA
Most international students require a student visa to study in Australia. There are a number of different types of student visas based on the type of course you will be studying. Check the website of the Australian Department of Home Affairs.

homeaffairs.gov.au/trav/stud

- Due to the COVID-19 pandemic, the English language test expiration is extended from 2 years to 3 years for the IELTS, TOEFL and Pearson PTE Academic tests and apply for commencement in 2020 and 2021. This will be reviewed once COVID-19 restrictions are lifted.
